

School Lunch PROGRAM Compliant Products

Locally Made, Locally Sourced, Sustainably Produced in CA

The National Standards for the National School Lunch and School Breakfast program require that children receive well-rounded meals offering servings of fruit, vegetables, and whole grains. Mi Rancho offers a wide variety of whole grain corn tortillas, whole grain wheat tortillas and fried tortilla chips that meet these strict requirements within each serving size. Mi Rancho now offers a wheat tortilla that satisfies both the needs of school nutritionists and the picky tastes of children, making us a go-to staple in school lunch programs throughout California.
